(f) *Material*, when applied to a potential conflict of interest, means the conflicting interest is of sufficient magnitude or significance that a reasonable observer with knowledge of the relevant facts would question the ability of the person having such interest to discharge official duties in an objective and impartial manner in furtherance of the interests and statutory purposes of the Corporation.

(g) *Officer* means the salaried president, vice presidents, secretary, treasurer, and general counsel, or other person, however designated, who holds a position of similar authority in the Corporation.

For the purpose of determining whether a potential conflict of interest exists, the following interests shall be imputed to a person subject to this regulation as if they were that person's own interests:

(1) Interests of that person's spouse;

(2) Interests of that person's minor child;

(3) Interests of that person's general partner;

(4) Interests of an organization or entity that the person serves as officer, director, trustee, general partner or employee; and

(j) *Resolved*, when applied to a potential conflict of interest that the Corporation has determined is material, means that circumstances have been altered so that a reasonable observer with knowledge of the relevant facts would conclude that the conflicting interest would not adversely affect the person's performance of official duties in an objective and impartial manner in furtherance of the interests and statutory purposes of the Corporation.

§ 651.2 Conflict-of-interest policy.

The Corporation shall establish and administer a conflict-of-interest policy that will provide reasonable assurance that the directors, officers, employees, and agents of the Corporation discharge their official responsibilities in an objective and impartial manner in furtherance of the interests and statutory purposes of the Corporation. (a) Define the types of transactions, relationships, or activities that could reasonably be expected to give rise to potential conflicts of interest.

(c) Require each director, officer, and employee who had no transaction, relationship, or activity required to be reported under paragraph (b) of this section at any time during the year to file a signed statement to that effect;

(d) Establish guidelines for determining when a potential conflict is material in accordance with this subpart;

(e) Establish procedures for resolving or disclosing material conflicts of interest.
